Prot. №: 400/2022

Ref: Structural Repairs at Rafidia Church and Hall, Nablus
GA 241/20

Your Excellency,

On behalf of the Latin Patriarchate of Jerusalem, I express my warm and sincere gratitude to the *Equestrian Order of the Holy Sepulchre* and members of the Swiss Lieutenancy for their genuine contribution to our work and mission, and for extending their cooperation to complete the several projects of the LPJ.

With your generous donation, we were able to complete phase 1 of the above referenced project with all its associated works. The project has addressed some serious structural failures and improved the overall condition of the Rafidia Church and hall and transformed them into more comfortable and welcoming spaces. All this work would not have been possible without your generous support, which continues to be a vital enabler of our work. We are looking to start a second phase of this project to conclude all the remaining works that are needed to complete this endeavor, once the needed funds are available.

Thank you immensely for your ongoing collaboration with the Latin Patriarchate of Jerusalem and the Church in the Holy Land. My prayers are with you and all who support your mission for our people.

Sincerely in Christ,

Sami El-Yousef
